ENROL NOW FOR KINDERGARTEN 2014
We are currently enrolling students for our 2014 Kindergarten classes. If you or someone you know has a child who turns 5 before 31st July 2014 they are eligible to enrol in Kindergarten. Please contact the school on 49454858 or come to the school office between 9.00am - 3.00pm Monday to Friday and leave your contact details or pick up enrolment forms. This will enable us to inform you of upcoming events in our Kindergarten Transition program. Did you know that we are the only local school that has fully trained L3 Kindergarten teachers? If you have any questions about our Kindergarten program, please contact Cathy Donald.

KINDERGARTEN NURSERY RHYME RAP PARADE
On Tuesday our Kindergarten teachers and students entertained their parents and grandparents with a variety of nursery rhymes written by Mrs Denz. The performance was the culmination of their Community Workers unit and showcased just how much they have already learnt in the very short amount of time they have been at school. Students from a local preschool were also invited to see the performance and joined in the fun by coming dressed in costumes too.
Thank you to Miss Young, Mrs Kuba, Mrs Betts and Mrs Denz for their dedication and hard work.

SPORT
Term two and Term three are very busy times with sport. We have six teams competing each week across three different sports. These sports rely on the goodwill of parents for transport and I would personally like to thank parents who not only transport children but also help as officials and coaches.
The athletics carnival is scheduled for next Wednesday 29th May.
Knights KO for seniors is on Thursday 6th June and juniors play next Thursday 30th May. Soccer players have just had a day of action as part of the state knockout. Netballers have played and won their first round of their PSSA knockout competition.

PSSA SOCCER KNOCKOUT DAY
On Monday 20th May Mr Lobston took 12 students to Chapman Oval at Swansea to participate in the PSSA Soccer Knockout Day. In their first game they won 7 nil against Swansea, but unfortunately Caves Beach beat them 6 to 1 in their second game. Our students' behaviour and sportsmanship was exceptional throughout the day. Once again we are very grateful to the parents who transported our students to and from this event. We couldn't participate without your help.
UNSW COMPETITIONS
The first of the UNSW competitions (computer skills) were held on Tuesday 21st May. I mention this because the P & C have funded a number of children in each grade in each test.

STARSTRUCK
The school has 16 girls performing in “Starstruck” again this year. There are a number of rehearsals and performances this term. Miss Young and her band of willing helpers have been hard at work organising and making costumes for our girls. Once again this fantastic experience is only possible because we have teachers and parents who are prepared to go that extra mile to make it happen.

P & C News
Welcome to our new P & C Executive for 2013. At the well attended meeting on Tuesday night, it was decided to buy new sports uniforms for the netball and soccer teams. We are also looking at updating our school sports shirts. More information on this will be forwarded later this term.

GRIP LEADERSHIP

Congratulations to the Year 6 leaders who represented our school yesterday at the GRIP Leadership Conference in Newcastle. All of the students learned how to be positive leaders and are very enthusiastic about trying out their new skills.
